

REMARKS

The Applicant requests that the specification be amended to correct typographical and grammatical errors as noted herein. The requested amendments are made to ensure consistency in the use of reference numerals to identify specific features of the airship.

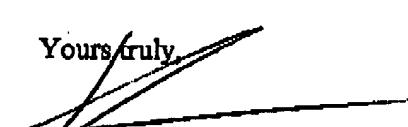

As such, the amendments noted herein are merely formal matters and substantial additional work on the part of the Office is not required. The amendment pursuant to Rule 1.312 is considered proper and following favourable consideration, should be entered.

Applicant submits that no new matter is being added by the present amendment and respectfully requests entry of the amendments into the application.

Applicant does not believe that a fee is required for the present submission. In the event that additional fees are payable, Applicant hereby requests that any fee which may be required for the papers being filed with this letter be charged to, or any overpayment be credited to, Account No. 02-2553.

The Examiner is invited to contact the undersigned by telephone at (416) 863-4283 to discuss this case further, if necessary.

Yours truly,

Mark D. Penner
